Where do I catch a flight to? can I book my flight now?

- Danang Airport in Vietnam is your destination airport. Depending on your starting point, you may need to make a pit stop at Singapore, Hanoi, or Ho Chi Minh City. We've got a great travel agent on speed dial to help with bookings. Like all retreats don't book until we give you the green light - we will also inform you of any specials as they come along.

How do I get to the hotel?

- We will have transfers organised for you. In the weeks before we will be confirming your flights and there will be a WhatsApp group so you can let us know if your flight is running late.

Do I need a passport and Visa?

- Unless you're already living in Vietnam you will, You'll need a tourist visa. We will give you the correct sites to book through with a cost of about \$25 USD. And don't forget to bring a passport that's valid for at least 6 months after June 1, 2024.

I have food allergies or preferences - can you cater to my needs?

- Absolutely! Just let us know your dietary requirements on the registration form, and we'll ensure the kitchen is aware. We will also have a translated note for when we eat out explaining the allergies or preferences.: Vietnam loves its peanuts and fish sauce, so we can't guarantee a nut-free or seafood-free environment.
